ADDRESS NUMBERS

If there was a fire or medical emergency at your house, would first responders be able to find your home easily?

Available in limited quantities are Mat-Su Borough approved driveway signs made to order by the West Lakes Fire Department and Horseshoe Lake Fire Wise program.

Your house number would be displayed in 4" white reflective numbers either single or double sided and can be done vertically if you have 4 digits or less in your address or horizontally for up to 5 digits.

Houston High School will be the designated spot to drop off payment and to pick up the signs through Tanya Boehm, Safety & Security Coordinator; the signs are \$25 apiece and checks need to be made payable to Horseshoe Lake Fire Wise Program.

If you have questions or to order your sign, please call or email Lt. Roy Roistacher @ 907-727-3942 or email him at Roy.Roistacher@matsugove.us OR Cathi Kramer at hsfirewise@gmail.com.
