

# Susitna Valley Junior Senior High School – Parent Teacher Student Association (PTSA) School Year 2019-2020

**Who we are and what we do:** We are parents, teachers, school staff and community members who care about the students of Su Valley Jr. Senior High School (SVHS), grades 6-12. We are a nonprofit organization that receives support from members, the Alaska State PTA and National PTA. Membership is open to all who wish to contribute to and/or be involved with children's education. Our PTSA works to foster a spirit of community among students, parents, teachers, and administration and to promote the school's goals to the community at large. Our primary goal is to advocate for the education of children, and to create opportunities for all students, parents, and the community to be part of our school.

With membership, you will receive PTSA program updates, agendas, minutes, time/location changes, as well as be able to vote and serve on event committees. **Please join us. Membership does NOT require you to volunteer.** Meeting attendance is encouraged yet not required. Volunteerism is welcomed at any time, but not required or expected. **Our continued interest this year is to help to provide afterschool activities and transportation for all student interests and to receive your input.**

SVHS PTSA membership meetings are at SVHS library on each second Monday of the month, at 5:00 PM.
